2010 Manure Expo
Event Profile

The 2010 Manure Expo will reach an entirely new audience – Operators and producers of the Northeast & Mid-Atlantic regions.

Background: The Manure Expo is an annual national event.
- PA will be the 6th host state.
- This will be the 8th Expo – previously in WI, MN, MI, OH, IA. (2011 NE)

Facilities: The Ag Progress facilities are top-of-the-line.
- Location: Russell E. Larson Agricultural Research Center at Rock Springs, nine miles southwest of State College on Pa. Route 45.
- The location is the site of the annual Ag Progress Days event and is well known to regional agricultural professionals.
- Indoor and outdoor vendor space available.
- The 55-acre facility offers plenty of demonstration opportunities.
- Electricity and water available.
- Accessible by highway and airport.
- Many hotels in the State College area.

Regional Profile: The region is rich in agricultural production.
- The event location is accessible with a 1-day driving trip from PA, NY, MD, VA, DE, WV, NJ, OH – states with over 1.6 million milking cows.
- NY and PA are ranked 3 and 5 nationally in dairy production, respectively.
- PA has 8,500 dairies and 550,000 milking cows.
- About 1,700,000 hogs are marketed annually from PA farms.
- PA ranks 2nd nationally in number of poultry farms with 9,423 farms.

Audience Profile: Who will attend the 2010 Manure Expo?
- Professional manure handlers, applicators and brokers.
- Dairy, livestock and poultry producers and professionals.
- Handlers of both liquid and solid manures.
- Crop consultants and nutrient management specialists.
- Compost managers.
- Custom operators.
- Agricultural support industry.
- Extension and agency personnel.
